

[IIS Tips, Tricks & Resources](http://www.iis-resources.com)

<http://www.iis-resources.com>

Fecha:25/9/2002 15:26:35

This site is dedicated to all things relating to Microsoft's Internet Information Server & was setup for those of us that have to support Microsoft's IIS or for those of you just getting into it. The information provided on this site has been garnered over the past 6 years supporting IIS implementations at places such as Cap Gemini America, GTE Internetworking, Aurion Technologies, CitiCorp, & Ericsson Wireless.
